★ Celebrating ★
OVER 85 YEARS
 Founded 1933

In **1933**, W. Ray Jackson founded Jackson Furniture in the midst of the Great Depression. We opened our doors the day the banks closed theirs. Since then our family has continued to create furniture, **right here in the USA**. We have seen decades of American prosperity, challenge, war and mind-blowing advancements in science and technology. **Our family** has never forgotten the way our company and country began, with **perseverance, hope and hard work**.

And throughout all of those decades of change, one thing remains constant: **Families love to relax together** in a room filled with comfortable furniture. That is where we have been, and will **always** be...from being huddled around a radio to being kicked back in front of a giant flat screen.

American Owned. American Jobs.

LiveSmart technology combines a performance fiber with a performance finish to give our fabrics inherent durability and longevity. Spills bead up, sitting on top of fabric until they are gently blotted with a cloth for cleanup. From pets to kids, LiveSmart fabrics can handle whatever your life throws at them.

LiveSmart is moisture repellent, stain resistant, designed for heavy duty wear, and a barrier protection to keep your fabric clean.

Let the Kids have fun - Leather can take it.

"Leather Touch" is the registered name for Catnapper's deluxe line of upholstered furniture featuring luxurious top grain cowhide everywhere the body touches. Correlated with this is a premium synthetic leather on the outside and back. The comfort, strength, and durability of genuine top grain leather priced right for today's homes.

Every hide is uniquely enhanced by natural features that assure individuality. Much as a thumbprint, these features give each hide a unique character and should not be considered defects or deficiencies. These hallmarks of nature - supple wrinkles, folds, patterns and other natural range markings are authentic characteristics found only in the very best top grain cowhide.
